

A Powerful Clean With NO Leaks!

The Campbell Hausfeld 2000 PSI EASYCONNECT™ electric pressure washer (PW190200) is ideal for cleaning patios, decks, sidewalks, drives, cars, boats, and ATVs. Clean all kinds of surfaces – our EASYCONNECT™ tight connection points allow for easy changing of accessories and seamless switching between applications. The 1 liter detergent tank is great for low pressure applications. Non-kinking and retractable hose reel helps store your hose free of tangles and unwanted kinks. The new metal wand is built to withstand high pressure and prolong product life. Includes: in-line detergent tank, 4 nozzles, 1 nozzle for detergent, and 35 ft. GFCI equipped power cord.

Designed with you in mind

The PW190200 is the perfect mid-range pressure washer. With a 2000 PSI, it's packed with power but still lightweight and easy to store.

- **EASYCONNECT™ Technology**
Tight connection points allow for easy changing of accessories and seamless switching between applications
- **2000 MAX PSI**
Cleans faster and uses less water than a standard garden hose
- **Convenient Storage**
Keep track of all accessories. On-site storage helps prevent accessories from getting lost
- **Retractable Hose Reel**
Reduces hose tangling frustration and cuts down on kinks
