

Gets the Tough Jobs Done!

The Campbell Hausfeld gas powered commercial pressure washer (PW320200) uses a premium axial pump and Kohler engine (RH265) to produce top performance. Ideal for heavy-duty jobs like cleaning RV's, boats, cars, outdoor equipment, patio furniture and more! This unit is built on steel welded frame that is powder coated for durability. The axial piston pump is designed for prolonged product life. The pressure washer gun features trigger locking mechanism to prevent accidental trigger pull and added safety. 14 inch No Flat Wheels enables the unit to be moved from one job to the next.

Designed with you in mind

The portable PW320200 is ideal for those tougher jobs like cleaning RV's, boats, cars, outdoor play equipment, patio furniture and more

- **Locking Trigger Gun**
Allows for easy locking of gun to prevent accidental trigger pull
- **3200 MAX PSI**
Cleans faster and uses less water than a standard garden hose
- **Powerful 196CC Engine**
Reliable Kohler engine that is tough enough for any job
- **Longevity**
Axial piston pump designed for optimal pressure and long product life.
